Town of Lewisville

Resident Survey Report

Purpose and Scope:

Survey research represents one method of collecting important opinion information from your residents and property owners. Properly conducted survey research helps convert resident opinion information into clear “messages” to you about what they expect from you and believe about you as a supplier of services.

The purposes of this survey might be summarized as follows:

- * Measure, in general, how residents feel about living in Lewisville.
- * Identify opinions concerning growth and development in Lewisville.
- * Identify what residents think concerning Parks & Recreation long-term goals.
- * Learn more about residents’ tax priorities.

The ability of survey results to assist you in decision making can be enhanced by looking at the survey data from different perspectives or ‘views’. Each view contributes to a more complete understanding of the true opinions underlying people’s responses to the survey questions. Looking at multiple views is part of the process of transforming relatively meaningless ‘data’ into useful ‘information’ and hopefully even into ‘insight’. Consequently, the results presented in this report are presented in various levels of detail in order to provide you with different views of the data. For example, in some cases the results summarize the opinions of *all* of the people who responded to the survey taken together. In other cases, the survey data is segmented into *groups* of respondents who differ from one another along one or more dimensions (*See Table Below*). This segmentation of the data enables you to determine if different groups of people answered questions differently based on these questions:

➤ How long have you lived here?
➤ Your age range:
➤ Do you have children under age 18 living in your home?
➤ Your home’s location:
➤ Do you currently rent or own your home?

In this report, we will refer to respondents, residents, citizens and customers interchangeably.

Survey Description:

The survey is divided into three principle parts:

1. **Background Questions**
2. **Opinion and Priority Questions**
3. **Open Ended Questions.**

1. Background information (“About You”) was collected to understand what types of people responded to the survey. This information enables important differences in people’s responses to be examined based on some of these questions:

2. Several categories of questions and statements were included in the survey to provide a wide array of respondents’ opinions. These categories include:

- General (Living in Lewisville)
- Community Safety
- Growth & Development
- Parks & Recreation Long-Term Goals
- Your Tax Priorities

3. Written Comments were also captured. Comments provide an opportunity for respondents to reveal information of importance that was not specifically asked for in the survey. They also lend value to the interpretation of ratings by providing a better sense of context or supportive evidence that enriches the interpretation.

Survey Construction:

Care has been taken in the construction of this survey to help ensure citizen opinion information is gathered in an appropriate manner. In particular, the following characteristics of surveys, which are known to influence the accuracy of the information received, were considered during construction. These include:

<p>1. WORDING OF STATEMENTS</p>	<ul style="list-style-type: none"> * Statements are kept brief to reduce the amount of reading required. * Statements are reviewed for ambiguity to ensure they convey only one meaning where possible. * Statements are designed to be neutral or slightly positive. * Each statement ideally covers only one idea to be rated.
<p>2. STATEMENT ORDER</p>	<ul style="list-style-type: none"> * When possible, statements are put in order from the most general to the most specific. This is done to avoid raising specific issues early that may positively or negatively influence responses on more general statements that follow. * Statements are grouped with other statements into similar categories. * More emotionally charged statements to be rated are generally placed toward the end of a category, or the end of the survey since they can influence ratings on other less emotionally charged issues.
<p>3. INSTRUCTIONS</p>	<ul style="list-style-type: none"> * Instructions provided at the beginning of the survey clearly indicate the purpose for the survey. The instructions also assure respondents that confidentiality will be preserved, and described when and how to return the survey.
<p>4. RATING SCALE</p>	<ul style="list-style-type: none"> * A 7 point scale is used for rating purposes. This type of scale supports a multitude of parametric statistical tests that are most useful in evaluating and prioritizing the strengths and areas for improvement.

* ***A copy of the survey used is presented at the end of the report.***

Survey Distribution:

Approximately **5423** envelopes with surveys were mailed to customers via first class US Mail, using live stamps. The surveys were mailed by Insight Research, Inc. Surveys that were not deliverable were returned to the Town by the USPS.

A cover letter was included with the survey. The letter included:

- * The reason for the survey
- * How and when to complete the survey
- * Guarantee of anonymity by using an independent research firm

Opinion & Priority Questions

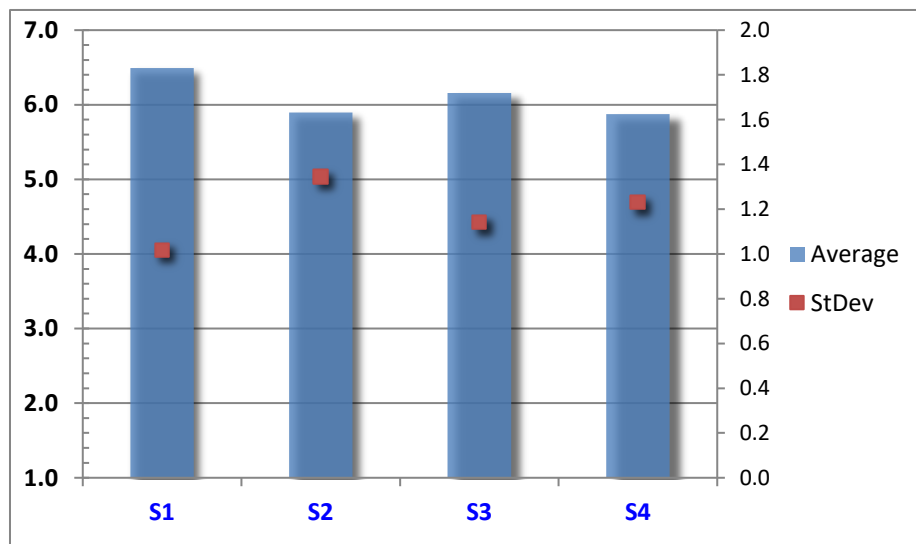

About the 7-Point Rating Scale

This section provides information about the results for each statement on the survey that was rated on the 7-point scale. Both a table and graph of the results are provided for each category of statements.

TABLE DESCRIPTION: The following information is included in the Tables:

Valid N	* Refers to the 'Number' of people responding to the statement.
Mean	* Refers to the 'Average' rating received from all respondents who rated the statement.
Median	* Refers to the 'Middlemost' score in a list of rank-ordered scores, above and below which 50% of the scores lie.
Standard Deviation	* Refers to a measure of the amount of variability there is in the responses above and below the average. For example, a smaller standard deviation indicates less variability, and thus more agreement among respondents than a larger standard deviation indicates.

GRAPH DESCRIPTION: The **blue** bar shows the average (mean, left scale) while the **red** dot shows the standard deviation (which is the right scale)

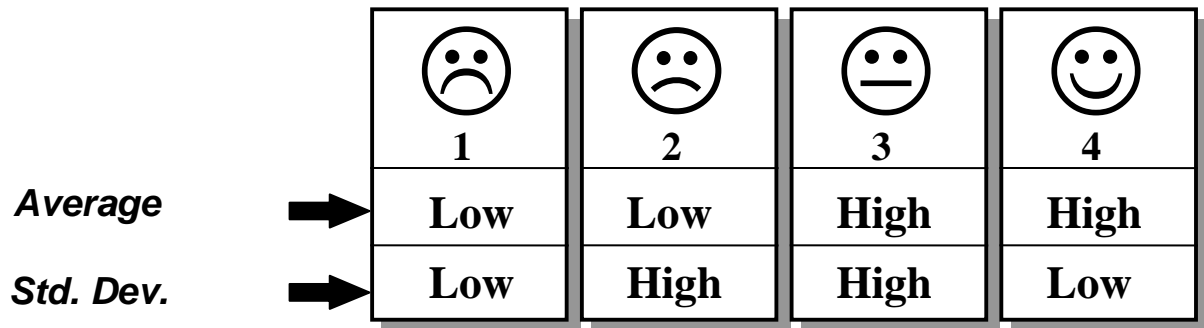

Interpreting the 7-Point Ratings

Two questions often asked in survey research are; “What is a good score, and how do I know where my real areas for improvement are?” Although every organization is different, a general theme in the opinion research literature indicates that “good” is not always “good enough”. That is to say, although an average rating of a ‘4’ on a 7-point scale may be perceived to be a “neutral” or even a “good” rating, it actually takes a much higher average rating to increase the likelihood that people are satisfied. Consequently, it is good practice to aim for the highest average possible.

At Insight Research, Inc., we have found it useful to suggest a target average of 5.5 or better for *satisfaction* statements for most industries. Scores lower below the target do not necessarily indicate a problem, but should be considered as areas for potential improvement that are worthy of attention. For local governments, however, achieving an overall satisfaction rating of 5.5 is often difficult; most average closer to 5.2. One reason for this difficulty might be that unlike most organizations in the private sector, a government usually keeps (rather than loses) most of their “unhappy customers”.

In addition, as mentioned earlier, low standard deviations reflect more agreement among respondents. As a result, it is most desirable to have a high “average” rating and a low “standard deviation”. This would indicate that most people agree that the rating should be high. A good rule of thumb suggests that standard deviations of 1.2 or less are desirable. The following diagram illustrates the relationship between the “average” and “standard deviation” with blocks 1 to 4 reflecting “Least Desirable” to “Most Desirable” in that order.

General Items: Living in Lewisville, Community Safety

General: <i>Please rate these statements on a 1 to 7 scale. Skip it if you have no opinion.</i>	Strongly Disagree Strongly Agree						
	1	2	3	4	5	6	7
1. Overall, I enjoy living in the Lewisville area.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
2. Overall, I am satisfied with the services I receive through the Town of Lewisville.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

We suggest that you focus on the **Mean (Average)** for each item. In this table, we see from the Statement 1 **mean** of 6.64 that respondents very much enjoy living in Lewisville, even more than in 2014. In addition, they are generally quite satisfied with the *services* provided by the Town.

The **standard deviations** indicate an average amount of variability in the answers. Ideally, you would want somewhat lower standard deviations (especially with S2 & S3), since this would mean more consistency in the ratings.

Median refers to the 'middlemost' number when you *rank-order* the individual ratings. For example, S3 has a median of 6.0. This tells us that at least half of the respondents gave an answer of '6' or higher and at least half of them gave us an answer of '6' or lower.

	Statements <small>1 = Strongly Disagree; 7 = Strongly Agree</small>	Valid N <small>(Number Responding)</small>	2019 Mean <small>(Average Rating)</small>	Median <small>(Middlemost Score)</small>	Std. Dev. <small>(Amount of Variability)</small>	2014 Mean <small>(Average Rating)</small>

* Down from 1.35 in 2014. That's very good!

Question 8: Development where? (Others, please list)

Q8-5 Where, if anywhere, more business development?
A business plan with living upstairs would be welcomed. That would keep people in Lewisville.
A place for fireworks, concerts, etc. to continue if the current space is lost due to sale.
Across from Food Lion & ABC store.
All three. Spread it out if it must happen & if it must then <u>slow</u> & <u>limited</u> .
Already empty commercial spaces all over.
Any area a developer thinks can be profitable.
Area where LA Reynolds used to be.
Around Lowes Foods area.
Around the town square.
At least one fast food restaurant.
Beside Lewisville square.
Between US 421/Williams Rd interchange & Williams Rd/Shallowford Rd traffic circle.
Conrad Road.
Doesn't seem to handle what development it has.
Dog park.
Dollar Tree!
Don't care.
Don't know.
Don't want to over develop though. Not much room left.
Don't want too many businesses like Clemmons. Could use a couple of good restaurants.
Existing buildings only that are not being used.
Existing business area should be upgraded & used well to draw & sustain current shops.
Fill existing empty storefronts. Work with the owners to get them filled.
Fill the spaces at Lowes Foods.
Get businesses to fill the Lowes Foods shopping center first.
Get Walmart to put up a small store.
Great Wagon Rd once completed.
Great Wagon Rd.
Great Wagon Rd.
Hardee's fast food.
Hardware store in town.
Hwy 421 to Lewisville Clemmons Rd.
I think Lewisville is fine as it is.
I want this to remain a village. 421 at Lewisville-Clemmons is different than 421 at Williams Road. Keep it different!
If anything is done, do it in Clemmons so it's not far, but also not directly located in Lewisville. We love the safe, quiet atmosphere that Lewisville provides for our children.
In the Lowes shopping area there are a number of empty store fronts.
In town through Lewisville-Clemmons & main road through town.
I've noticed that there are some small off the road shopping centers in Lewisville that are not

fully filled & some of the buildings are run down. It would be nice if some of the stores were rejuvenated & new stores were built in the empty spots so that those who live at the other end of where most stores are would be nearer to the stores.
Keep business growth limited.
Keep our little town & let Winston-Salem & Clemmons envy us for it!
Like the residential feel.
Limit to small businesses.
More business only if necessary.
More EMS.
More near Food Lion & the roundabouts near 421 but can come toward town.
More options in the Lowes shopping center.
More restaurants.
My recommendation is for retail growth in the established business districts. There's already a lot of vacancies in the established business areas.
Near Meadowlake School/Walmart/Sheetz.
No additional business areas. Fill empty spaces with better mix of family friendly businesses. No gaming & gambling.
No more business growth. Trying to ruin appeal of original Lewisville.
No opinion.
No others!
No, no, no and no to Yadkinville-Lewisville Rd.
None of the above.
None. Look how screwed up Clemmons is.
Not certain. Do not have enough knowledge to answer.
Not too development. Be fair to all residents, wealthy & poor income.
Once nice restaurant.
Only within existing infrastructure - occupy empty buildings & store fronts at current locations.
Out beyond Liberty Rest.
Over where Lowes is.
Revitalize existing shopping centers for small shops or restaurants.
Roads need to have more lanes.
Robinhood/Lewisville Rd.
Shallowford Rd 421 Interchange.
Shallowford/Lewisville-Vienna Rd.
Shopping center by town square.
Should not limit businesses to just those areas or to "business areas."
Small business. No box stores.
Small development wherever appropriate.
Small fine dining.
Small shops. Farmers' market. Florist. Hardware. Branching out from downtown Lewisville along Wagon Rd & towards Lowes.
Small stores in existing shopping areas. No new shopping areas in "downtown" Lewisville, but okay by Lewisville-Clemmons Rd.
Small, unique, local owned businesses are fine anywhere in Lewisville.

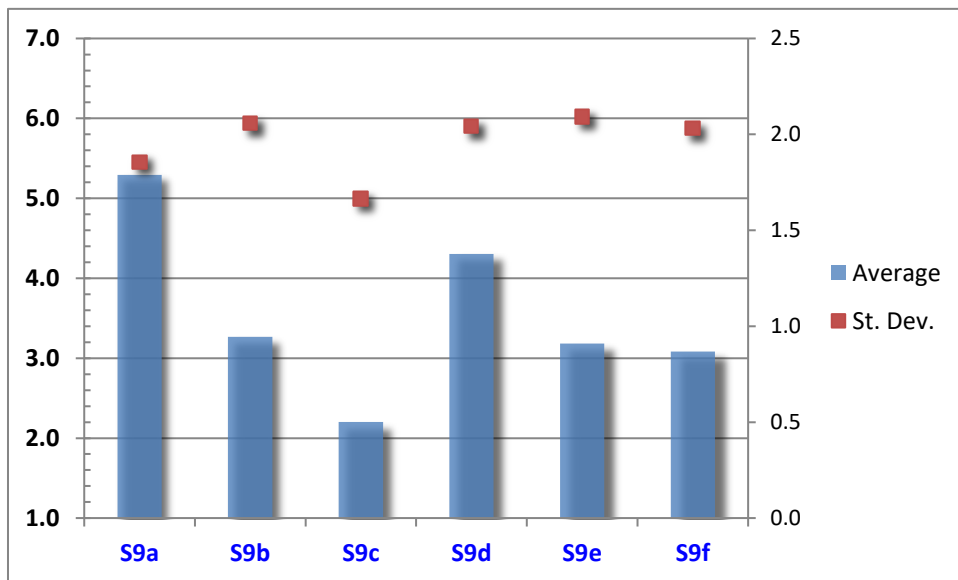

Starland Telusive lot.
Stop all development until roads are improved.
The fact that Lewisville is <u>less</u> developed is what makes it so appealing!
The old shopping center where Dennys (?) & Butlers Lighting was. What's wrong with that? Existing.
The old Starland Telusive site would be a perfect location for light commercial offices (those requiring a dock), hidden by the trees but within the taxable city limits of Lewisville.
The parking/shopping area next to park (Pig-n-out)
The shopping center by Lewisville square. I would love to see pubs/restaurants there.
There are plenty of empty storefronts. Fill those spaces first.
There is ample space available for small shops.
Try to use retail space currently empty.
Upgrade & repurpose existing retail & business areas down Shallowford (Food Lion & Lowes shopping centers).
Upgrade area where Food Lion is located. As more homes are built the requirement for full service grocery stores is critical. Lowes has limited inventory as does Food Lion.
Upscale restaurant.
Use empty stores that are already bare.
Utilization of existing shopping centers.
Utilize empty buildings by Lowes.
Utilize existing empty stores.
Utilize existing space in shopping center of Lowers Foods.
Vacant spaces in current buildings.
Vienna should grow more. Nothing hardly there.
We have enough.
We would not need more services if we keep Lewisville small & "country." Development is already too much (Dull Rd, Styers Ferry). A new school in Vienna area. We can go to Clemmons to shop or eat. Let's not become another Clemmons!
Williams Rd/Hauser Rd area.
Would like to see empty real estate sitting empty updated & bringing new opportunities to local businesses.
Would love to see area where parade takes place to have the feel of other "downtowns" like Lexington or Kernersville.
Would prefer to see Lewisville remain a small town, primarily single family or low-density apartments in a more moderate price range.

Comparing Answers from Different Groups of Respondents

Although the findings presented thus far are revealing, it is often helpful to perform more fine-grained analyses of the data to determine if any particular groups of respondents rate the statements significantly different from other groups. Consequently, additional analyses, including analyses called “Analyses of Variance” were performed on the data, to determine if any differences could be found among respondents based on:

- | |
|---|
| ➤ How long have you lived here? |
| ➤ Your age range: |
| ➤ Do you have children under age 18 living in your home? |
| ➤ Your home’s location: |

If analyses of this type show significant differences along one or more of these dimensions, then the Town should consider taking these differences in citizen responses into account when making plans for the future.

Subjects for Comparisons (Methods Used):

General items and Community Safety (Using Analysis of Variance)
Growth & Development (Break-outs or Analysis of Variance)
Parks & Recreation Long-Term Goals (Break-outs or Analysis of Variance)
Tax Priorities (Analysis of Variance)

Correlations of Rated Items

Correlation is a measure of how closely related two or more items are. **This often helps to understand your respondents better and can sometime help as you set priorities.**

A “**positive**” correlation indicates that two or more items are directly related (e.g., Height and weight are positively correlated since in general, the taller someone gets, the more they weigh).

A “**negative**” correlation exists when two or more items are related in opposite directions (e.g., The number of children in a family, and amount of money available to save each month might be negatively correlated. That is, the more children you have in the family, the more expenses you have to pay each month, which reduces the amount of money left to put into savings.)

Correlation measures can be extremely useful in survey analysis. Knowing how a person responds to one item can help predict how they will respond to another correlated item. Although these relationships do not necessarily represent “cause and effect” relationships, they may give good insight about what is important to your respondents.

81	20+	65+	No	3	Own	Restaurants are fine in shopping centers but not new stand-alone with big parking lots. We already have a sport park at Joanie Moser Park. Sewer service on Lower Divaldi Rd. This is something we have wanted since moving here in 1972. Sidewalks, especially from Lawrence Midge Rd to Jack Warren Park (along Lewisville-Clemmons Rd). The town needs sewer service & sidewalks & no more town buildings.

86	20+	65+	No	2	Own	A town swimming pool for children & adults.
87	20+	65+	No	3	Own	Lively commercial activity.
88	20+	65+	No		Own	Keep bike riders follow the laws. They are also disrespectful. They need their own specific lane. They should stay in their lane. They should have to have license, tag, pay tax & insurance registration, just like every vehicle!!!
89	5-19	35-49	Yes	2	Own	I would like to see Lewisville become more culturally and racially diverse. What is Lewisville doing to be inclusive?
90	20+	65+	No	2	Own	More planned development units downtown with retail & restaurants on bottom/street level & condos/townhomes above, similar to Birkdale development in Huntersville. 2-3 floors high, not big high-rises.

98	20+	35-49	No	2	Rent	Community pool.

102	20+	35-49	Yes	3	Own	Stop trying to change it. People chose to move here based on the way it felt. "Small town." Current mayor & council have lost focus!

112	20+	65+	No	2	Own	Services for the elderly - transportation, home care, etc.
114	<5 yr.	35-49	No	3	Own	Bike lanes. The cyclists make it very difficult for drivers to travel safely & efficiently on the curvy, country backroads. "Sharing" the road doesn't apply to all of them. I have encountered too many cyclists that do not share the road. It's a headache!
116	20+	65+	No	2	Own	The management has been excellent. Please keep focus on a small residential setting.
118	20+	65+	No	3	Own	Need bike trails for bikers. Bikers create a hazard to public roads. They create a very dangerous situation for drivers. Bikers create a very dangerous hazard for all drivers & put the publics lives in jeopardy.
120	5-19	50-64	No	3	Own	Open Jack Warren Park to dogs, please. I take her to Tanglewood in Clemmons & Washington Park in Winston-Salem! I spent hundreds of hours in the park training my dog before it opened. The park opened & no dogs. None allowed. I'm a responsible pet owner & never went back.

129	<5 yr.	<35	Yes	2	Rent	Bike lanes. Tired of being late to work or risking passing them on the streets.
130	5-19	65+	Yes	3	Own	Keep it small & quiet. The one light is sufficient. Winston-Salem is a very short drive so again, let's be the envy of the others. That's the main reason I chose Lewisville!! Don't be too hasty to give it all away!
132	5-19	65+	No	4	Own	More sidewalks.
133	20+	65+	No	3	Own	Yard waste pickup.

165	20+	50-64	Yes	2	Own	No more developments in our precious open land! At least not where the houses will be slammed in on top of each other!
166	5-19	50-64	Yes	1	Own	We love everything about it. The small town feel is wonderful. Please don't start building up like Clemmons or even Kernersville. Thank you!
167	20+	65+	No	3	Own	Less traffic.
169	5-19	50-64	No	3	Own	Keep down crime & provide the town to grow & stay beautiful!
171	5-19	35-49	Yes	3	Own	The cyclists that invade our town do not offer any benefits to our local community. Please install bike lanes or make the area off limits to the mass groups that clog up the roads. It's a safety hazard for both the vehicles & cyclists.

179	5-19	35-49	Yes	3	Own	We have all sports needs at Joanie Moser. We have enough community events at the square. We have access to most all of the activities listed. "Less is more!"
182	20+	65+	No	2	Own	Non-alcohol events.
183	<5 yr.	65+	No	3	Own	From what I have seen I love the town. Keep up the good work.
184	20+	50-64	No	1	Own	Look into paving streets that have never been repaved or paving <u>all</u> of a street in a neighborhood & not just half of it!
186	20+	65+	No	2	Own	More restaurants. More flowers. Thank you for asking!
187	<5 yr.	50-64	No	3	Own	Yard waste pickup monthly from March to November - leaves, tree trimmings, limbs, etc.

205	<5 yr.	35-49	Yes	3	Own	Bring back the cardboard recycling dumpster.
206	20+	65+	No	3	Own	Sidewalks on Lewisville-Clemmons Rd. Trash pickup more reliable. Which day?

207	<5 yr.	50-64	Yes	3	Own	We love Lewisville but we need more sidewalks down Shallowford Rd. We really need leaf & limb pickup. Burning or taking them to the far side of Winston-Salem to the limb landfill is not okay. Every homeowner has this need if they care for the yard.
208	5-19	35-49	Yes	3	Own	Sidewalks in many areas, particularly Lewisville-Clemmons Rd & Arbor Run. People/kids could access Joanie Moser & Jack Warren, shops, etc.
209	5-19	50-64	No	2	Own	When it's time for the bulky item pickup, I hate that it sits on the side of the road for weeks. It makes the town look trashy. A better system needs to be devised for this.
211	<5 yr.	65+	No	2	Own	I hope Lewisville keeps the area more like it is & doesn't mess up like Clemmons has done.
212	20+	65+	No	3	Own	Don't be Clemmons! Keep doing what you have for the last 20 years.
213	20+	50-64	Yes	3	Own	We love living in Lewisville. We like the small town feel, less traffic, being in a safe area, & sense of community with the local events. However we would like a closer access for the greenways. I know it was part of the master plan at one time, but seems to have been abandoned. With all of the cyclists in Lewisville there also needs to be some bike lanes.
214	20+	65+	No	3	Own	I like Lewisville the way it is, a great residential community.
215	5-19	35-49	Yes	3	Own	Yard waste pickup.
218	20+	65+	No	3	Own	Love the way it is!
220	20+	50-64	No	2	Own	Extend sidewalks to neighborhoods so we can easily walk downtown (Shallowford, Grapevine).
222	20+	65+	No	3	Own	I would like to be able to walk my dogs in the parks!
223	<5 yr.	<35	Yes	3	Own	Connect Lewisville-Clemmons to downtown. I'd love to be able to walk son from Bebb Willow to Joanie Moser Park. Have a downtown area to centralize business growth. Maybe convert old shopping center area/gas station/old Millhouse to restaurants (upscale dining options would be nice) or small stores, etc., to give a quaint feel with similar aesthetic looking buildings. Thank you!
224	5-19	35-49	No	3	Own	Bike lane on Lewisville-Clemmons Rd.
225	<5 yr.	35-49	Yes	2	Own	Cafés & restaurants.

227	<5 yr.	35-49	Yes	3	Own	More businesses in a walkable area. Kids sports.

228	<5 yr.	<35	Yes	3	Own	Bring businesses to Shallowford Square area (around Lowes Foods). There are many empty units around Ciccionis.
230	20+	65+	No	2	Own	More sidewalks & efforts to clean & beautify the "entrances" into town. 421 bridge area needs landscaping badly. Our town has way too much litter. We need greater local penalties for littering. Note: the town council does a great job!
231	20+	65+	No	2	Own	Improve & maintain roads.
232	20+	35-49	No	2	Own	Other than trash/recycle options, the town does not provide needful services. Our taxes are paying for non-essentials that could be covered by our state and county taxes or through individual donations and special-interest groups. #13 - these events are not free!! We pay for them. In fact, tax-paying Lewisville residents pay for these, but non-residents are allowed to attend. I/we would like to see more of a focus on infrastructure and less on "free" activities, entertainment and special use parks.
233	20+	65+	No	3	Own	More family restaurants.
234	5-19	50-64	No	4	Own	More greenways. Get bikes off main roads as much as possible by providing other good places to enjoy biking rather than down main roads that don't have bike lanes.
236	<5 yr.	65+	No	3	Own	Bike lanes. Shallowford Rd is dangerous for bikers & walkers.
238	20+	50-64	No	1	Own	Spend city money on basics & roads, if any money left over then spend it on non-essential things like fireworks.
240	20+	<35	No	2	Own	Sewer system!!!!
241	5-19	50-64	No	2	Own	Place benches around town, not just in the square.
242	<5 yr.	<35	Yes	3	Own	Sports in our school and/or town ball parks, football field, soccer, field, etc.
244	20+	65+	No	1	Own	Round about in front of Methodist church.
245	<5 yr.	50-64	Yes	4	Own	Bike lanes to make riding safer but we also host many cycling events yearly, so it would make it easier to get around. The events at Shallowford Square are great & plentiful. Keep them up. No need to add more.
246	20+	65+	No		Own	Always strive to keep to town government small & frugal by contracting every available service to private companies by way of competitive bidding!
247	20+	65+	No	2	Own	Town-wide sewer system.

249	20+	<35	Yes	2	Own	Be more open to different/new possibilities. Need to attract the newer families & younger established crowds to bring more income to our town. Find a way to bridge the ages that we have in our community - retired, working and children.
252	5-19	65+	No	3	Own	Sidewalks!
253	<5 yr.	<35	Yes	3	Own	Clean up the "shopping center" next to the town square. Add more locally owned dining options. A community pool adjacent to the town square would be wonderful.
254	5-19	50-64	No	3	Own	Business & retail growth.
255	20+	50-64	No	3	Own	Love living in Lewisville. It's the right size. Sometimes people speeding through many parts of town. Road calming speed bumps may help. Also would love leaf pickup in the fall. <u>Thank you</u> much!
257	20+	65+	No	3	Own	Better patrol & tickets of unsafe drivers.
259	20+	65+	No	2	Own	Litter clean up. Pretty perfect as is.
261	5-19	35-49	Yes	2	Own	Bike lanes on major roads.
263	20+	65+	No	3	Own	Nothing. I like it just the way it is.
264	5-19	35-49	No	3	Own	Live/work units downtown & updating of existing retail space along Shallowford Rd.
265	20+	50-64	No	2	Own	Yard waste pickup please! Round about at Shallowford Rd & Lewisville-Vienna Rd.

274	20+	50-64	No	3	Own	Sewer. No bikes.
275	5-19	35-49	Yes	2	Own	Community pool with daily rate. Neither Willowrun or Shallowford offers this. You should ask how many times to residents go to Tanglewood instead of our parks.
277	20+	50-64	No	2	Own	Love Lewisville.
278	5-19	50-64	No	3	Own	Lower taxes!
279	<5 yr.	50-64	No	3	Rent	Like it the way it is.
280	<5 yr.	<35		3	Own	Bike lanes! The cyclists are always taking up spots at the park & are in the way!
281	20+	65+	No	3	Own	YMCA.
282	20+	50-64	No	3	Own	A few nice restaurants. Not bars, but restaurants. Also Aldi, Lidl, Trader Joe's.

292	5-19	35-49	Yes	1	Own	More kid friendly activities.
293	5-19	50-64	Yes	4	Own	Control the business/commercial growth to maintain the small town feel.
295	20+	50-64	No	2	Own	Any new construction needs to be consistent with old or historic look.
296	20+	65+	No	1	Own	Improve bike pathways & sidewalks.
297	20+	65+	No	3	Own	Another good family restaurant would be nice, but I don't think you can do that! Hopefully housing/building will continue to be monitored to bring a mix of people to our community.
299	20+	50-64	Yes	1	Own	Public transit connecting Lewisville regions to each other & to Winston-Salem. Impossible to live here if you don't/can't drive.

302	20+	50-64	No	3	Own	Have leaf pickup in the fall.
303	20+	50-64	No	2	Own	Have an ordinance against leaving trash bins at the road in small neighborhoods & never putting them where they should be. Have a fine for people who never remove them from the road. Have a 2-day limit. Runabout Rd is a problem.

307	20+	65+	No	3	Own	Prepare for the northern beltway.
308	5-19	50-64	No	4	Own	There is a development being built at Dull Rd & Concord Church Rd. I think a round about/traffic circle is needed there. Also there is talk of a park out at the Shallowford of the Yadkin River. The town should support that.
309	20+	50-64	Yes	2	Own	Leaf & yard refuse pickup.

315	20+	50-64	No	4	Own	Get off the bike route unless they have their own lane & pay taxes for it their selves. Our roads are not created for this.
316	5-19	50-64	No	2	Own	Don't let Walmart in!
320	20+	50-64	No	2	Own	Lower speed limit on Robinhood Rd. Too many speeding cars.

323	20+	50-64	No	2	Own	Enforce parking laws.
324	5-19	35-49	Yes	2	Own	City sewer hookup.
325	20+	50-64	No	1	Own	Like it just the way it is. No more building \$300,000 homes around me on Cutters Creek Dr. I moved to the country!
326	20+	65+	No		Own	More downtown activities evening & nights. More sheriff's presence. Family restaurants reasonably priced.

332	5-19	65+	No		Rent	I love Lewisville!
333	20+	65+	No	3	Own	Some nice restaurants, not chains! Paved walk/bike trails.
334	20+	50-64	No	3	Own	Remove roundabouts at William Rd - extremely dangerous. Too many times I have seen accidents almost happen. Also if these intersections were improved there would be less traffic on Lewisville-Clemmons Rd between Lewisville-Clemmons & Shallowford.
335	20+	65+	No	4	Own	Stop big housing developments! Leave it as it once was, a small community. No more big changes.
338	20+	65+	No	2	Own	I'm looking for a town home. I will have to move outside of Lewisville to find one. There should be an ordinance against commercial (large) trucks parking in neighborhoods regardless of HOA.

347	20+	65+	No	3	Own	More patio living homes that are affordable.
349	20+	65+	No	3	Own	Would like them to make sure who they pay to plow roads during snow. Would come down Saskatoon Lane. Only four houses & dead end. They always skip us.
351	20+	65+	No	2	Own	Indoor walk area for the aged.
353	20+	50-64	No	4	Own	Town events are fine but Lewisville taxpayers should not foot the bill. All outsiders should pay to attend these events!

375	20+	50-64	No	2	Rent	Get rid of the lycra/spandex clad bicyclists that are a nuisance & a danger. I can support bike lanes if it puts bicycles in a safe space & does not decrease the width of the driving lane. Another restaurant or two would be good. There are opportunities for retail growth in downtown & Vienna area. Not much on Vienna side of town. Lewisville is a great place to live! Thank you for keeping the essence/feel of a small town. I would like to see the historic house behind Town Hall completed & open.

437	<5 yr.	50-64	No	3		Make all the dogs in my neighborhood go inside the house when they bark. The no dogs allowed rule at Jack Warren is ridiculous!

451	20+	50-64	No	2	Own	No thoughts come to mind.
453	5-19	35-49	No	1	Own	I went once to Jack Warren Park to find out my dogs were not allowed there. Never been back & won't unless this is changed. Recommend changing this & adding dog/pet bag dispensers. We love the area & enjoy the small community atmosphere. My only recommendation would be to make Jack Warren Park dog friendly. I live close to CG Hill Park as well & typically go there as it's pet friendly. They have the pet bag receptacles throughout the park & it's rare I see pet excrement lying around.

468	<5 yr.	35-49	Yes	3	Own	Greenways where dogs on leash are allowed. Cannot walk dog at Jack Warren so is less desirable when I walk.
472	<5 yr.	35-49	No	3	Own	Growth goes hand in hand with population growth which attracts business. The ability to balance growth & hold onto the scenic, rural landscape is very difficult.
473	5-19	50-64	Yes	3	Own	Can I get a speed bump? So tired of cars speeding through Sequoia. These are <u>not</u> for speeding. Maintain parks, not expand. Expand sidewalks. Need more sports programs. There are <u>so</u> many bikes in town.

512	20+	65+	No	2	Own	Promote more diversity.
515	5-19	65+	No	1	Own	The traffic on Lewisville-Vienna has increased rapidly. I worry about getting out of my driveway when the new schools are finished. With all of the school buses & medical & fire emergencies, etc. Also some of us are afraid to get our mail due to the heavy traffic.

517	5-19	35-49	No	1	Rent	More restaurants.
518						I live in Lewisville proper but my address is Pfafftown. I don't feel a part of Lewisville because if my address was changed to Lewisville 8 years ago I would feel more like a Lewisville resident.
519	20+	65+	No	1	Own	Leave the land alone. Stop building housing developments.
520	5-19	50-64	No	4	Own	Less bikes. Stop use of park as bike rally area.

544	20+	50-64	No	2	Own	Coordinate with NCDOT to keep snow/ice removed from Ketner Rd in winter.
546	20+	35-49	Yes	2	Own	There are too many bicyclists on our roads! They do not pay taxes for their bikes as we do our vehicles! It's ridiculous that they are all over our tax paid roads, tying up traffic, causing accidents, due to us having to go the speed they are on their bicycles due to oncoming traffic! If they are hit, it should be their fault for riding on busy roads.
547	20+	65+	No	4	Own	Speed bumps/traffic calming in Runnymede. Greater care & interest in health & maintenance of lakes in Runnymede.

557	20+	50-64	No	3	Own	Lewisville should have the same laws as Winston-Salem regarding raising/keeping chickens. I do <u>NOT</u> like hearing roosters crowing at all hours.
558	5-19	35-49	Yes	1	Own	I would like to be able to go to my own town & fund shops, pool & restaurants, than to travel to Clemmons. \

562	20+	65+	No	4	Own	At this time, keep status quo. Thanks.
563	5-19	35-49	No	3	Own	I'd like parking in the street in Bradford Place to stop. Residents routinely park in the street making it hard to get through the neighborhood, especially for school buses.

576	5-19	65+	No	2	Own	Shops & Lewisville should better support it's small businesses.
577	20+	50-64	No	3	Own	Cease commercial & residential development. Lewisville was rural. Now everyone has moved here & for some reason expects & wants more amenities. It makes no sense. Lewisville looks like Clemmons more & more.
578	<5 yr.	50-64	No	4	Own	Pass ordinance to ban all plastic bags from Lowes & Food Lion grocery stores!

782	5-19	50-64	No	2	Own	Quit catering to bicyclists. 1042	20+	65+	No	2	Own	A fine dining restaurant. Mt. Airy has its Mayberry and Seagrove has its pottery. Lewisville, too, has an opportunity to include a defining characteristic of its community in order to enhance its reputation among residents & visitors alike. One local characteristic which might be considered is to make our town a regional center for art & antiques. Over the last few years there has been substantial organic progress made along these lines. Much of previously vacant retail space has been converted to shops which cater to this trade. This has led to occasional open air markets & presumably to increased visitor & retail sales growth. Lewisville as a center for art & antiques would differentiate our town from others in the vicinity. In addition, this defining characteristic can be extended into town sponsored community events such as classic car shows, antique roadshows, community antique market day & much, much more. Hopefully this idea can be considered in Lewisville's long term planning process. By way of disclosure, the author of this note has no business interest in this field - simply an interest in antiques & an enthusiasm for our town.

1201	20+	50-64	Yes	2	Own	More restaurants.
1203	5-19	65+	No	4	Rent	Where is senior center? Not everybody knows where it is nor what they do.
1204	20+	65+	No	3	Own	Everything is so convenient for me except I would love a drive thru restaurant pickup so I wouldn't have to dress to go out & pick up a bite to eat. I love the convenience of everything anyone would need within walking distance of my home.
1205		50-64	No	2	Own	Enhance dog friendly parks & town square. I'm a responsible pet owner & would like to bring my dog to events, parks, etc. Dogs should not be excluded. Address the problem pet owners & stop penalizing good citizens. Our pets are our family too.
1206	5-19	50-64	No	3	Own	Need better traffic circle. "Welcome to Lewisville" with a miniature (car-size) version of the Mill logo in the middle surrounded by flowers! Post office needs to be better (late/lost too much mail).
1207	5-19	65+	No	2	Own	City/county sewer.
1208	20+	65+	No	4	Own	Keep it residential. Less commercialism.
1209	<5 yr.	65+	No	3	Own	Sidewalks, particularly along Lewisville-Clemmons Rd between the 421 Exit & Shallowford.
1211	5-19	35-49	Yes	3	Own	Safe way to cross Shallowford by foot/bike to get to fields & trails of FCDS, which are open to public on weekends. Can only get there by car now.
1212	20+	65+	No	3	Own	Leaf/brush pickup. Lewisville is one of the few who does not have this service.

1214	20+	35-49	Yes	2	Own	Stop building more neighborhoods/businesses. Keep the small town feel of Lewisville. Don't make us into Clemmons.
1215	20+	50-64	No	3	Own	More community events at Town Square.

Case No	How Long	Age Range	Child	Where?	Rent /Own	What <u>one thing</u> would you like to see done... (1 = N of R'hood, 2 = S'ford to R'hood, 3 = 421 to S'ford, 4 = S of 421)
1216	20+	65+	No	1	Own	I moved to Pfafftown - annexed into Lewisville. I get minimal services. I like the area, don't mind being in Lewisville but I'm not really in Lewisville, right?
1217	20+	50-64	No	1	Own	Curbside brush removal.
1218	<5 yr.	50-64	No		Own	Sidewalks. Just moved here.
1221	20+	65+	No	2	Own	Not too much to do.
1222	20+	65+	No	2	Own	More sidewalks. More restaurants. Farmers market. Continue the activities that are currently ongoing. I do have one question. Do any of the town council have businesses that would benefit from decisions or rules passed (contractors, grading, landscaping)?
1223	5-19	35-49	Yes	4	Own	Less developments.
1224	<5 yr.	<35	Yes	4	Own	More things for young families is always good for us. Thanks!

1228	5-19	<35	Yes	3	Own	More family oriented activities other than those done at the square.
1229	20+	50-64	No	4	Own	Have the sheriff deputies do something besides park in the shade. I've witnessed infractions time after time in front of them & they do nothing but ride around & sit parked on their shifts.
1230	20+	50-64	No	3	Rent	Public transportation (busing). Thank you.
1231	5-19	50-64	No	3	Own	Less bike riders allowed to ride in large groups, especially at dusk.
1234	20+	35-49	Yes	4	Own	Keep undeveloped areas undeveloped.
1235	20+	65+	No	4	Own	Demolish traffic circles! It's somewhat frustrating to pay for all the sponsored events for mostly non-Lewisville residents to enjoy/overwhelm. It would be appreciated if you could charge outsiders to attend or somehow at least reserve seating/parking for the people paying taxes to pay for events.
1236	20+	65+	No	3	Own	More community policing.
1237	<5 yr.	65+	No	3	Own	Keep it residential

1240	5-19	65+	Yes	3	Own	Maybe going forward with elementary school.
1242	5-19	50-64	No	4	Own	Please, please, please do not become Clemmons. Clemmons is completely ruined.
1243	5-19	35-49	No	3	Own	Nothing. I personally like the small town outside a city persona. Moved 10 years ago from Yadkin County & love the area!

1246		50-64	No	4	Own	To make people keep their property up. I have complained a lot of times & nothing gets done. Whoever is in charge of that needs to be fined. Look at Peak Rd. Look at house on Harper Rd south of Styers Ferry.
1247	20+	35-49	No	4	Own	<u>Not</u> be like Clemmons. We have everything we need in a five minute drive (i.e. Clemmons & Hanes Mall Blvd).

1255	20+	50-64	No	2	Own	Prevent more apartments/low income housing.
1256	20+	65+	No	2	Own	Stop giving in to the bicycles. They can do anything & the town lets them. They run the area & think they own it.
1257	20+	65+	No	3	Own	Yard pickup.
1259	20+	65+	No	2	Own	Bike lanes.
1260	20+	50-64	No	1	Own	Dog park.
1261	<5 yr.	<35	Yes	2	Rent	Planning to purchase home in Lewisville & parents also wish to move/retire here. Please just remain family oriented. It's quiet & safe. It reminds me of the small town of Liberty where I grew up. Community events, safe area, well maintained & clean. Sheriff's patrolling, decent neighborhoods, low crime rate, etc. = perfect location to raise a family!
1262		65+	No	2	Own	Yard debris pickup.

1266	<5 yr.	65+	No	2	Own	Maintain small town community with limited business development. Winston-Salem is only 10 minutes away. This atmosphere is responsible for 3 of our friends moving here.
1268	5-19	50-64	No	1	Own	Stop residential housing building. They are building cheaply built expensive homes! For example, Chickasha!
1269	20+	50-64	No	1	Own	More police.

1283	5-19	65+	No	2	Own	Yard waste pickup.
1284	20+	65+	No	3	Own	Have town hall mail a current map of Lewisville to all Lewisville households. The last map I received was dated 1998-1999, so at least 20 years old & it's very outdated. Sort of like me.
1285	5-19	65+	No	3	Own	I <u>love</u> that there is <u>not</u> a lot of businesses. I do <u>not</u> want Lewisville anything like Clemmons! Why no Easter egg hunt this year?
1286	5-19	50-64	No	2	Own	Bike lanes would be a great improvement. I am concerned about safety but want to encourage everyone to be active & enjoy our area more.
1288	5-19	35-49	Yes	3	Own	Bike lanes.
1289	20+	50-64	No	2	Own	It's hard to get around when cyclists are using our narrow roads. Also, they park their many cars at the town square & are not using the park.

1316	5-19	50-64	Yes	2	Own	Add septic systems to older communities.
1317	20+	65+	No	4	Own	Duke Energy came through cutting trees, etc. Logs are left behind & home owners are not going to have them removed. The logs will rot & accumulate over years throughout Lewisville. See #16g above. Downed trees from weather events in public spaces should also be removed.
1318	20+	65+	No	3	Rent	Senior services.

1335	20+	50-64	No	4	Own	I really would appreciate yard waste pickup, realizing taxes would be increased!
1336	5-19	50-64	No	3	Own	Avoid intrusive schemes like seizing private property for greenways/bikeway to Winston-Salem (county, too).
1339	20+	50-64	No		Own	Lower taxes.
1340	20+	50-64	Yes	4	Own	Enforce traffic speeds!!
1342	5-19	65+	No	2	Own	Snow plow should not come if they come so late that the driveways have been cleared, then they come & build a giant back of snow blocking my driveway.
1343	20+	50-64	No	2	Own	Not allowing so much residential building. Gets very congested traffic-wise. People moving in are destroying the small town feeling.
1344	5-19	50-64	No	3	Own	Stop being so tough on small businesses. Please help them succeed. The Lowes shopping center is a disaster!

1376	20+	50-64	No	3	Own	Good restaurants.
1378	20+	65+	No	2	Own	I think it is pretty perfect as is. Thanks for asking.
1379	20+	65+	No	4	Own	Sewer for areas along Styers Ferry Rd, Runnymede, etc. New development should be on sewer due to the poor soil for septic & ground water issues.

1398	5-19	50-64	Yes	2	Own	Public sewage.
1399	20+	65+	No	3	Own	More greenways & paths. Regret not connecting Moser Park with Muddy Creek. This is a community that would prosper from making it easier to travel without starting your car. We have enough commercial development in Clemmons & Winston-Salem. This is a <u>residential</u> community. That is it's atmosphere.
1400	20+	50-64	No	3	Own	Leaf/lawn waste pickup.
1401	5-19	65+	No	3	Own	More bike lanes.
1402	20+	65+	No	4	Own	Pet control (dog waste). Sewer service. Bike control (large groups).
1403	5-19	65+	No	3	Own	Outdoor art work (statues, imaginative art, sidewalk paint, etc.). Sorry, but Shallowford Rd should be a nice place. The car garage needs to be elsewhere. It's ugly.
1406	20+	65+	No	2	Own	Growth.
1407	20+	65+	No	3	Own	Good restaurant. Again, sewer for west side of town or lower the tax rate for this side of town. Also have leaf pickup.
1409	5-19	50-64	Yes	2	Own	More retail (restaurants/shops) in business district.

Case No	How Long	Age Range	Child	Where?	Rent /Own	What <u>one thing</u> would you like to see done... (1 = N of R'hood, 2 = S'ford to R'hood, 3 = 421 to S'ford, 4 = S of 421)
1412	20+	65+	No	2	Own	Sheriff needs to write more driving citations! Folks drive too fast all over town & in neighborhoods! Never see folks being pulled over for speeding & crossing over line. Example - Grapevine & Lewisville-Vienna intersection. Also on Shallowford at Lewisville-Vienna Rd. Folks don't stay in their lane! Get folks to slow down & live!
1415		65+	No	3	Own	I am satisfied as it is!
1416	5-19	65+	No	3	Own	Nothing, as they do a great job making it homey to date!

1418	<5 yr.	50-64	Yes	3	Rent	More family friendly restaurants.
1419	<5 yr.	50-64	No	3	Own	Bike lanes. Bikers in the car lanes scare the HECK out of me!

1422	20+	50-64	No	4	Own	Sewer options south of 421.

1426	5-19	35-49	Yes	2	Own	Getting businesses in the old shopping area or finding better use for that area. Feels like an eyesore & not in line in town. Also, would like some of the businesses on Shallowford Rd to be more uniform with the look of the town & not as tacky outside.
1428	<5 yr.	35-49	Yes	3	Rent	More street lights & sidewalks or an outside lighted path/track to walk.
1430	5-19	65+	No	3	Own	I'm very happy with things as they are!
1431	5-19	65+	No	3	Own	Bike lanes.
1432	20+	50-64	No	3	Own	<u>Please</u> stop allowing burning of leaves & yard waste in neighborhoods! We moved to NC to enjoy the beautiful weather but so many nice days in fall & spring we can't even open our windows because of the smoke & stench of smoke.
1433	<5 yr.	50-64	No	2	Own	No high density housing.
1434	20+	50-64	No	3	Own	Have a nice golf course that's affordable. Even a nine hole course with nice dining available.
1435	20+	50-64	Yes	2	Own	Do something about speed limit & traffic now on Yadkinville because of Conrad Homes new development. Large trucks & bikes plus 55 mph don't mix!! Dangerous & loud!
1436	5-19	35-49	Yes	2	Own	Protect neighborhoods from speeders before someone gets killed. It's out of hand & dangerous.
1437	<5 yr.	65+	No	4	Own	Can't think of anything!
1438	<5 yr.	50-64	No	3	Own	Just moved here!

Case No	How Long	Age Range	Child	Where?	Rent /Own	What <u>one thing</u> would you like to see done... (1 = N of R'hood, 2 = S'ford to R'hood, 3 = 421 to S'ford, 4 = S of 421)
1439	5-19	50-64	No	3	Own	Keep doing what we are doing! <u>Don't</u> become a Clemmons!
1440	20+	50-64	No	4	Own	Roads need to be repaired. Patching doesn't last.
1443	20+	<35	Yes	2	Own	City sewer.
1447	20+	65+	No	3	Own	I wish we had a dollar store. I believe it would be supported locally & people from Yadkin County have told me that is one thing Lewisville is missing. Dollar Tree would be my choice.
1448	20+	50-64	No	3	Own	Dog parks. More town events, concerts, town cookouts, etc.
1449	20+	50-64	No	1	Own	Reduce speed limits town-wide.
1450		65+	No	1	Own	Public sewer.
1451	<5 yr.	<35	Yes	1	Own	Lewisville really needs some good restaurants. I would love some kind of deli or "the loop" (at thruway). Option at Shallowford Square, also making it more walkable. The sidewalks on Shallowford are too narrow.
1456	20+	65+	No	3	Own	Enforce control on street parking in neighborhoods.
1457	20+	65+	No	3	Own	A time to meet & talk with deputies.
1458	20+	50-64	No	4	Own	I would love to see more "quaint," i.e. a cluster of shops joined by a sidewalk, ideally on both sides of the road. Maybe a bistro, too!
1461	20+	50-64	Yes	3	Own	Lower taxes.
1462	20+	65+	No		Own	Yard waste pickup would be better than burning limbs.
1463	5-19	35-49	No	3	Rent	Bike lanes.
1466	<5 yr.	35-49	Yes	3	Own	Keep the small town feel. Better traffic control during events like July 4th.
1468	5-19	50-64	Yes	2	Own	Make a left turn light green from Shallowford Rd to Lewisville-Clemmons Rd. I don't understand, especially in the a.m.
1469	<5 yr.	35-49	Yes		Own	More speed bumps & traffic calming. We live off Grapevine & people drive <u>too fast</u> in this area.
1470	20+	50-64	No	4	Own	Sewage.
1471	20+	65+		3	Own	Sewer system for <u>all</u> neighborhoods especially surrounding town hall, going down North St. Sewer in small plaza on North St is extremely gross smelling at all times. Maintenance needed badly. <u>Extreme sewer odor could be health hazard</u> . Not inviting to newcomers considering ownership.
1475	20+	35-49	No	3	Own	I would like the events downtown to continue.
1476	20+	65+	No	1	Own	Less micromanaging of residents' rights.

1489	20+	50-64	No	2	Own	To <u>not</u> extend Belnette to Food Lion shopping center & make it one way with Shallowford Rd the other way & one way. I fear traffic "bottle-necking" where the one-way roads meet the two-way roads. We love Lewisville!

The events the town sponsors are excellent!

1587	20+	50-64	No		Own	We definitely need yard debris pickup. This is a huge problem for residents. People just pile it up & it looks awful. It also is a breeding ground for snakes, bugs, etc. Other than that Lewisville is pretty wonderful.

1600	5-19	35-49	Yes	2	Own	Get bicycles out of the middle of the roads. They cause safety concerns! Bicycle traffic is the most likely reason I would move out of Lewisville.

1604	20+	65+	No	2	Own	<p>1.) Planning for projects seems to be very lacking. About a year ago a sidewalk was built on Lewisville-Vienna Rd between Riverwood Dr & Tullyries Ln. About 2 extra feet was taken from property owners on the north side of the road so a grass strip could be placed between the sidewalk & the curb. Why? It is about the only sidewalk that has a strip of grass between the curb & the sidewalk. It has to be maintained & mowed which must be paid for by the taxpayers. A stupid move. 2.) When the bridge over Highway 421 was damaged it was shut down for about 6 or 7 months for repairs. An excellent opportunity was missed to really upgrade the bridge to 4 lanes which will be needed in the next few years. But we got lights & a sidewalk so anyone could walk to the Liberty Restaurant or the auto repair shop - which I'm sure is really used. To add insult to injury, shortly after the bridge repair was completed, it was shut down again to build a roundabout which is too small to handle large trucks & long trailers. 3.) Roundabout was another genius project. It is built in such a manner that it requires tax money to maintain. Some fool wants some sort of weeds planted in the middle of it that get so high that you can't see traffic coming into the roundabout if you are coming into downtown from 421. I guess brick pavers or rock for the middle for the roundabout was not good enough for the genius designers. 4.) A few years past our great planners moved the Nissen House from the side of Shallowford Rd to another location off the main road. The house should have been torn down & the property it was moved to should have been turned into a theater or community center as a replacement for the stupid park in the middle of town, which is nothing but in the way of future business development. 5.) Main street through town - whether you like it or not Lewisville needs two or three additional lanes for traffic through the middle of town. I guess the planners can leave it as is if everyone likes to sit in traffic when school is in, there is a funeral, people going to the drug store, post office & Christmas parades or an outdoor concert at the wonderful park. I don't think the main street through town should ever be closed for Christmas parades or any type of parade or concert. I pay taxes to use the roads, not to be forced to wait for Christmas parades & excessive traffic for events at the park. 6.) Whether you like it or not, you can't try to keep Lewisville as a "quaint little country village." That ended 20 years ago. Look around; every old farmer is selling their land to developers & more & more is being built. People are moving into the new developments, and like me, I'm tired of going to Clemmons or Winston to go to a nice restaurant, or buy "stuff", or go to the movie, or get fast food. 7.) Another big waste of money is the "Great Wagon Road." What's so great about it? It's a road to nowhere. Just another fool project that will require maintenance later on. I've heard it might be used to connect to another road in the future, but I'm sure that will be a tremendous cost. For now, it's only an expensive parking lot. The money wasted on the "Great Wagon Road" & the park in the middle of town could have been better spent on a sewage system for Lewisville, Shallowford Lakes & the whole town. I'm sure many residents would like to get rid of septic tanks & the maintenance thereof. 8.) Lastly, while I agree with the concept & have used it many times, the Goodwill donation truck is an awful eyesore & first impression for those entering Lewisville for the first time. Why can't it be placed where it used to be in the Food Lion parking lot? Also, in it's current location it is also impossible to get to.</p>
1606	20+	65+	No	2	Own	<p>Have city sewer. Can we connect with Winston-Salem or Clemmons? In 2019 we shouldn't have to depend on septic tanks.</p>

1657	20+	65+	No		Own	Sorry but I can't answer a lot of these questions. My house was built in 1984 in Pfafftown on Goslin Drive off Skylark. My area was annexed into Lewisville some years back. I have always worked in Winston-Salem areas. Not many occasions to do things in Lewisville. I have been to a few events at the library & enjoyed those. I have eaten at a restaurant in the Lowes Food shopping center with my daughter a few times. I suffered a back injury in 2014 so I don't go too far from home. Nearest dollar store & grocery is about 5 miles away & sometimes that's difficult. Sometimes those things are done in "baby steps" - a few short trips to equal 1 big trip & maybe over a few days. I'm having back surgery in late May & praying it's very successful. Then maybe I'll get to come to other events in Lewisville. Town council, staff, committees, board members & residents need to think about just how big you want to grow the current size of Lewisville; just how many more businesses do you need to build - some, yes, considering how far residents have to drive for doctor visits, etc. Some open land needs to stay just that - open. Leave forest areas as they are. Towns, communities, etc., need those areas too. Small towns and/or communities don't need to get too big; then town people get bored & go other places.
1658	20+	50-64	No	1	Own	Keep small town/community feeling. Do not destroy the rural/country feeling. Do not build any more strip malls. Too many as is. Space not full at Robinhood & Olivet Church now. Limit construction of apartments/businesses.
