

Lewisville Public Safety Advisory Committee
March 11, 2014
Lewisville Town Hall Annex

Call to Order:

Rob Syvertson called the meeting to order at 6 p.m. Members present are Harlan Cobert, Laura Morris and Eric Osbourne.

Approval of Minutes:

There was a question about the wording of the minutes to say that speeds were “generally 25 miles per hour or less.” The committee would like to see the total number of cars that were observed. Mr. Cobert moved for approval with the corrections. Mrs. Morris seconded and the vote was unanimous. (Mr. Syvertson will provide the corrected information to town staff.)

Unfinished Business:

Safe Pace 100 Speed Sign – The committee is still in favor of acquiring a sign like this and would like town staff to pursue purchasing one.

New Business:

None

Adjournment:

Mr. Cobert moved to adjourn and Mrs. Morris seconded. The vote was unanimous.

Respectfully Submitted:

Lynn W. Hall,
Public Information Officer

Attest:

Joyce C. McWilliams Walker,
Town Clerk

Robert Syvertson
