# From your Mayor From the Mailbag

**Mike Horn**

**Y**es, we still have a mailbag! Those of you who read this column in each issue, and there are some of you who do, know that at the end of each column I invite your comments and thoughts. A number of you take that opportunity to let me know what you think and, I certainly appreciate that.

Another way that I hear from our residents is at our library's annual "Meet the Mayor Day" during which some of our youngest residents can write letters to me sharing their thoughts about the burning issues most important to them.

I'd like to answer some of their letters here.

Emma writes: "Shallowford Square should allow dogs. Lots of people do not pick up their dog's 'poop,' so could there be some stands with 'poop' bags. Then more people with dogs could attend the fun events."

Dear Emma. That's a great suggestion. But "#2" is just part of why we don't allow dogs in the park. There is also "#1," which is hard to catch in a bag and can create health issues. We also have concerns about some dogs biting children and other pets. Maybe some time we can do a dog day in the Square. We do host the Humane Society's annual Mutt Strut, so you and others can bring your dogs to that.

Nathan writes: "I love the signs around Lewisville. Me and my mom have learned a lot of history about the town and we like the celebrations."

Dear Nathan. Lewisville has a proud history. I'm glad you are learning about it. Also, I enjoyed meeting you

and your mom at the library. You are a very special young man.

Oliver writes: "I hope you are doing well. Can you make more Dogman books?"

Dear Oliver. I am doing well. Thanks for asking. I'll see what I can do about Dogman; maybe I'll consult with Emma above. To be fair, I'll also check on Catwoman."

Harper writes: "I like cats. I like to run. I have a cat and a brother. I am near a pool. Do you have a dog or cat? I have cousins."

Hello Harper. I have a dog and a cat. I also like to run, but I'm not as fast as I used to be. I have a sister and cousins too. Hope you enjoy the pool.

Wyatt writes: "Please add these ideas to the town. A Pokemon Water Park, a Pokemon School and a Pokemon Shop."

Wyatt, if we do that do you think our friends in Clemmons would Poke fun at us? Thanks for your ideas. As they say in Washington, I'll refer this to committee.

Mary writes: "I think it is amazing that you do your job. I don't know what you do, but I think you're great."

Thanks Mary. Trust me; sometimes I don't know what I do either. But thanks for the vote of confidence.

So, folks keep those cards and letters coming and, as always, I welcome your thoughts.

# **LEWISVILLE TOWN HALL WILL BE CLOSED LABOR DAY, MONDAY, SEPTEMBER 2 GARBAGE & RECYCLE DELAYS ONE-DAY DELAY**

## **Fall Bulky Item Pickup to Begin September 9**

The next Bulky Item Pickup event will begin Monday, September 9. Those residents wishing to participate in the pickup should have all acceptable bulky items curbside by 6 a.m.

Bulky item collection events are held a few times per year and provide Lewisville residents an easy and convenient way to dispose of unwanted, large items that would otherwise need to be taken to the landfill. Town Hall has received recent calls about the event, so Town staff is anticipating high participation from Lewisville residents.

"We want to make sure our residents are informed as to what

is considered a bulky item. This event is intended for disposal of items too large to fit within a trash cart - items such as large pieces of furniture, carpet, mattresses, box springs and white goods," said Town Manager Hank Perkins. "We are going to provide information in the newsletter, Channel 6, our website and Facebook to give everyone an opportunity to understand what is acceptable for bulky item collection. Residents may also call Town Hall if they have additional questions or concerns," said Perkins. The "rule of thumb" is to avoid placing bags of trash, televisions, cardboard boxes, lumber scraps, clothing, books, construction debris and

other prohibited items out for the collection. If Waste Management sees a contaminated collection pile, the site will not be serviced.

Perkins said the collection times are a busy one for staff because of all the calls as to what is allowed, reports of individual homes missed and complaints about people leaving unacceptable items at the curb long after the event has ended.

Guidelines for what is accepted and what is prohibited can also be found on the Lewisville website, [www.lewisvillenc.net](http://www.lewisvillenc.net), on Channel 6. Residents may contact Town Hall at 336-945-5558 to obtain further information or visit the Town's website at [lewisvillenc.net](http://lewisvillenc.net).
